TRAVEL DIRECTIONS TO WMU

****Put MILLER AUDITORIUM into your GPS and it will get you very close to the Dalton Center. From there you can follow the directions below and/or use the attached map.**

Monday Drop Off and Saturday Pick Up

From the South or North

1. Take US-131 to Stadium Drive east.
2. Take Stadium Drive east to the 4th traffic signal (Howard Street).
3. Turn left on Howard, cross the railroad tracks and . . .
4. Stay in the right lane as you proceed up Howard.
5. As you go up the hill, you will go under an auto overpass.
6. Take the first available right after going under that first overpass (just before you get to the second overpass which is a pedestrian overpass).
7. You will immediately come to a stop sign on Ring Road (formerly known as Western Avenue.)
8. Turn left on Ring Road.
9. Follow Ring Road, which passes the parking structure on your right and winds up and around several parking lots. Continue on. At a 90-degree continue around to the right.
10. Watch for Parking Lot 90 on your right ... then Enter Parking Lot 39 on your right. (you will see a sign "*Deliveries for Dalton and several other buildings*")
11. Drive straight to the back of the lot and turn left.
12. Proceed straight down a slight incline to a wide sidewalk/road that goes between two large buildings.
13. Turn right on this sidewalk/road and follow it up a slight hill and down as it curves to the right. You will feel like you are driving on a sidewalk...not to worry.
14. The Dalton Center loading dock should lie before you on the other side of a flag pole circle to your right.
15. Stay to the right and proceed down the driveway that leads to a dead-end. Load in at the double doors on your left.

From the East or West

1. Take I-94 to US-131 north. (When coming from the east resist all earlier Kalamazoo exits.)
2. Take US-131 north to Stadium Drive east (which is marked as the WMU exit).
3. Take Stadium Drive east to the 4th traffic signal (Howard Street).

4. Turn left on Howard, cross the railroad tracks and . . .
5. Stay in the right lane as you proceed up Howard.
6. As you go up the hill, you will go under an auto overpass.
7. Take the first available right after going under that first overpass (just before you get to the second overpass which is a pedestrian overpass).

Follow directions above from #7.
